I will get back with you as soon as Rich gets back from the field. I do not know the address for GPS purposes but I know how to get here. We are in the lower lot, behind the fire company off of High Street. If you are coming south on 29 you turn right before the small hospital (and the bend in the road) on High Street. We have our mobile command post and lab trailer set up. We will be there early but if you are here by 12:00 that would be great.

Hi Ann,

Can you please provide me with [Ex. 6 - Personal Privacy] address and phone number. We have to ask for permission to sample at her house. Also, I don't know where she lives.

Thank you,

Afternoon -

Rich Fetzer asked that I email the field sampling schedule for the first day.

Monday we will be sampling at [Ex. 6 - Personal Privacy] at 1:30 pm.

We are still working the schedule and will be in contact as soon as we are able to do so. Thanks.
